NAVAL RESERVE OFFICERS TRAINING CORPS (NROTC) SCHOLARSHIP PROGRAMS; 4-YEAR SCHOLARSHIP PROGRAM

Responsible Office	COMNAVCRUITCOM (N31)	Phone:	DSN	882-9465
			COM	(901) 874-9465
			FAX	882-9230

Governing Directives	OPNAVINST 1533.12F
	OPNAVINST 6110.1F
	Uniform Code of Military Justice (UCMJ),
	Subchapter III, Section 815, Article 15

1. **Purpose**. The NROTC Navy-Option Scholarship Programs educate and train well-qualified young men and women for careers as commissioned officers of the U.S. Navy Unrestricted Line (URL) and Nurse Corps, with initial appointment in the Navy in the grade of ensign. Current information and application procedures are published annually in OPNAVINST 1533.12F and the Navy-Marine Corps ROTC College Scholarship Bulletin.

2. **Overview**. The 4-Year NROTC Scholarship Program, including the NROTC Nurse Corps 4-Year Scholarship option, provides qualified students with tuition, books, instructional fees, uniforms, and a subsistence allowance of \$150 per month. Room and board expenses are not provided. As enlisted personnel selected for and enrolled in NROTC Scholarship Programs are released from active duty, they are not eligible for active duty pay and allowances, medical benefits, and other active duty entitlements while in these programs. To be eligible for a commission, scholarship students must successfully complete naval science courses, drills, and summer training prescribed by the Chief of Naval Education and Training (CNET) prior to graduation from college. Selectees attend classes full-time during the academic year.

3. **Basic Eligibility Requirements.** An NROTC scholarship applicant must meet the following eligibility requirements, of which only the age requirement may be waived:

a.	Be a U.S. citizen.
b.	Be under 27 years of age on 30 June of the year in which eligible for commissioned status. An age waiver may be granted for prior active military service, on a month-for-month basis, computed as of 1 September of the year of enrollment in NROTC, provided the applicant will not reach his or her 30th birthday by 30 June of the year in which graduation and commissioning are anticipated. Command verification of service must be provided to receive an age waiver.
c.	Be a high school graduate or possess an equivalency certificate.
d.	Be physically qualified for the NROTC program as determined by the Department of Defense Medical Examination Review Board (DODMERB).
e.	Possess personal qualities of high moral character and loyalty. Loyalty is defined as having no moral obligations or personal convictions which would prevent conscientiously supporting and defending the Constitution of the United States against all enemies, foreign and domestic.
f.	Have no court-martial convictions or civilian felony convictions. Have no record of disciplinary action under Subchapter III, Article 15, Uniform Code of Military Justice (UCMJ), or conviction by civil court for misdemeanors, except minor traffic violations, during the 3 years preceding application for the NROTC Scholarship Program. A fine of \$200.00 or less , exclusive of court charges, is considered minor. Any substantiated drug abuse while in an enlisted status will result in disqualification. Exceptions will not be considered.

4. **Additional Eligibility Requirements for 4-Year Applications.**

Specific additional eligibility requirements and application procedures apply for 4-year applications.

a.	Four-year NROTC Scholarship Program applicants must qualify based on Scholastic Aptitude Test (SAT) or American College Test (ACT) scores. Minimum scores required are published in OPNAVINST 1533.12F. The SAT or ACT tests may be taken through the national testing program or through Defense Activity for Nontraditional Education Support (DANTES).
b.	Scores from tests taken on or after 1 January, 2 years before the year of application , may be submitted. "Regular" (no extra fee) SAT or Act scores can be released up to 17 November directly to Commander, Navy Recruiting Command (COMNAVCRUITCOM), from the testing agency by marking "release code 0656" on the test registration form or the additional report request form. Tests administered through DANTES should be taken before November in order for scores to be available in time for the next year's NROTC Scholarship Program. Scores must be received in time for processing. Formal Applications must be received by 31 December .
c.	All processing of applications for NROTC Navy-Option Scholarship Programs is done at Navy recruiting district processing stations. Full details of the 4-Year NROTC Scholarship Program, including a list of participating colleges and universities, are contained in the Navy-Marine Corps ROTC College Scholarships Bulletin and OPNAVINST 1533.12F.
d.	A 4-Year NROTC Scholarship Program applicant must complete the Applicant Questionnaire, located in the back of the ROTC Bulletin, and mail to ensure a postmark not later than 1 December . The ROTC Bulletin can be obtained from the command career counselor or local Navy recruiter.
e.	An age waiver request, if required, is to be submitted with the Applicant Questionnaire stating the applicant's active duty base data, expiration of active obligated service (EAOS), and actual or anticipated discharge date if different from EAOS. Dates provided must be verified by the applicant's command.

f.	<p>On the Applicant Questionnaire, members must specify the recruiting station where they will report for processing if they are designated selection board eligible.</p> <p>(1) Personnel unable to meet scheduled processing appointments must contact their designated recruiting districts for further advice regarding alternative methods of completing the required processing.</p> <p>(2) Deploying units with anticipated dates of return to their home ports later than 15 December should encourage their applicants to complete all NROTC scholarship application processing before departure from home port.</p> <p>(3) Commands located overseas for the entire NROTC processing cycle should provide early notification of any unique processing difficulties to the appropriate recruiting district.</p>
g.	<p>Upon determination that all eligibility requirements have been met, an applicant will be notified of selection board eligibility and further application processing requirements. To expedite processing, eligible personnel should provide copies of their high school transcripts and birth certificates as early as possible. When designated selection board eligible, the applicant must complete final application processing through the designated Navy Recruiting District. Four-year scholarship applications must be mailed in time to arrive at COMNAVCRUITCOM by 31 December.</p>

5. **Additional Documents Required With Application Packages.** In addition to the basic NROTC scholarship application, the following documents are required with all active duty 4-year scholarship application packages.

a.	<p>Commanding officer's endorsement which must include the following:</p> <p>(1) Statement as to whether or not the applicant should be selected for the NROTC Scholarship Program. Commanding officers should recommend only candidates who meet high standards of character, patriotism, sense of duty, personal conduct, and financial responsibility.</p> <p>(2) Evaluation of applicant's leadership potential and motivation.</p> <p>(3) Statement that the applicant's record has been reviewed and found free of disqualifying military or civil offenses.</p> <p>(4) Statement that the applicant has been counseled about the financial limitations of the NROTC Scholarship Program.</p> <p>(5) Evaluation of applicant's ability to handle a college curriculum, including calculus and calculus-based physics, or biological science for nurse candidates, and basis of that evaluation, e.g., high school performance, college courses taken, Navy school performance, etc.</p> <p>(6) Completion of the commanding officer's endorsement by a division officer, department head, executive officer, etc., is not acceptable. Unacceptable or incomplete applications will be returned to the command without consideration.</p>
b.	Certified copies of last two observed evaluations. Copies of not-observed evaluations are not required.
c.	Certified copy of NAVPERS 1070/604, Enlisted Qualifications History of the enlisted service record.
d.	Certified copy of NAVPERS 1070/609, Enlisted Performance Record of the enlisted service record (if available).
e.	Reproduced copy of the OPNAV 6110/2, Risk Factor Screening/Physical Readiness Test Result which contains results from the last two tests taken. OPNAVINST 6110.1F applies.
f.	Statement of financial responsibility. Use the format provided in OPNAVINST 1533.12F.

6. **"Other Official's Evaluation of Applicant"**

a. The "Other Official's Evaluation of Applicant" form should be completed by an officer. The form is page 21 in the Application Forms Booklet sent to all 4-year applicants.

b. However, if at least one of the "Math/English Teacher Evaluation of Applicant" forms, pages 17 and 19 in the NROTC Scholarship Program Application Form Booklet, is completed by an officer, the "Other Official's Evaluation of Applicant" form, page 21, may be completed by an enlisted supervisor, E-6 or above, in the applicant's chain of command.

7. **Application and Acceptance at an NROTC Host University**

a. Application and acceptance at an NROTC host institution is the applicant's responsibility. Acceptance by an NROTC university does not guarantee assignment to that university. Assignment to a university other than selectee's first choice may be made, if considered in the best interest of the Navy or the selectee.

b. Nurse Corps Option selectees must gain admittance to an NROTC-affiliated university which offers an NROTC Scholarship Program approved Baccalaureate of Science Degree in Nursing (BSN) program. Admission must be received before the scholarship can be activated.

c. Submit application to desired colleges and universities by **1 January**.

8. **DODMERB Physical**. The names and addresses of selection board eligible applicants will automatically be provided to DODMERB. DODMERB will contact each applicant to schedule a time and location for a physical examination. A DODMERB certification of physical eligibility is required before a scholarship can be activated.

9. **Notification of Selection**. Notification of selection results will be made in the **spring**.

10. **Evaluation Process**

a. NROTC scholarship selection boards evaluate each applicant in two general areas. The selection board will first evaluate the applicant's potential as a future naval officer. Factors considered include professional performance while on active duty, leadership positions or positions of responsibility held, command comments, and the personal statement.

b. The selection board will then evaluate the applicant's academic potential. It will specifically evaluate the applicant's ability to complete a year of calculus and a year of calculus-based physics, which are required before graduation, Nurse Corps Option applicants excepted. Factors considered will be past academic performance as reflected in high school and college transcripts, Navy technical school performance, teacher or instructor comments, and performance on the SAT or ACT. Additional information which may explain or offset any weaknesses in the above areas should be provided with the application.

11. **If PSO Orders Are Received While Application is Pending**

a. Candidates for NROTC who receive permanent change of station orders (PSO) for execution subsequent to the NROTC application deadline should not be transferred until officially notified of selection or nonselection to NROTC. If a transfer directive is received, the commanding officer shall notify the orders originating authority that the individual has applied for NROTC and that the orders are being held in abeyance until notification of selection or nonselection is received. Cite transfer code number.

b. If the applicant is selected, the commanding officer shall notify the orders origination authority that the individual has been selected and that the orders are considered canceled. If the applicant is not selected for NROTC, the command should transfer the individual and notify the orders origination authority that the orders have been complied with, referencing the previous correspondence which held the orders in abeyance.

12. Status of Enlisted Members Selected for NROTC Scholarship Program

a. Enlisted members who are selected for NROTC Scholarship Programs will be issued orders from their present day stations to the appropriate NROTC units. After reporting to their units, scholarship recipients will be released from active duty and appointed Midshipmen, U.S. Naval Reserve, for a period of **8 years**.

b. Selectees shall further agree to accept appointments, if offered, as commissioned officers upon successful completion of their program.

(1) Members selected for the 4-Year Scholarship Program must have at least 36 months of active obligated service remaining as of the date they report to their NROTC units or extend their enlistment by the number of months necessary to meet the 36-month requirement.

(2) An Enlisted Navy Career Options for Reenlistment (ENCORE) quota is not a requirement for officer accession programs. Selectees to officer accession programs do not need to request ENCORE reenlistment or extension quotas in order to acquire the necessary obligated service for those programs.

(3) Members who enter NROTC Scholarship Programs from active duty and disenroll **prior to entering their sophomore years** will be ordered back to active duty to fulfill the unexpired terms of their enlisted commitments.

(4) If disenrolled from NROTC Scholarship Programs **after commencement of their sophomore years**, members may be ordered back to active duty or, at the Secretary of the Navy's discretion, be ordered to reimburse the United States for educational expenses.

(5) Upon successful completion of the NROTC Scholarship Program, the minimum active commissioned service requirement is **4 years**. Members who do not complete this obligation may be required to reimburse the United States for educational expenses.

13. **NROTC Nurse Corps Scholarship Selectees.** NROTC Nurse Corps Scholarship Option selectees must sign a NAVPERS 1070/613, Administrative Remarks entry before executing orders to their NROTC unit, acknowledging that they have been selected for the Nurse Corps option only and that they may not transfer their scholarship benefits to the regular NROTC or Marine Corps Option scholarship programs.

14. **G.I. Bill Benefits**

a. Montgomery G.I. Bill benefits are available to eligible individuals who qualify by the date of **fall matriculation** at the university.

b. Eligible individuals who do not qualify by reason of insufficient time-in-service will not be granted an extension on active duty in order to gain Montgomery G.I. Bill benefits.

15. **Navy-Marine Corps ROTC Bulletin.** Automatic distribution of the Navy-Marine Corps ROTC Bulletin is made to all Navy activities. Additional bulletins may be obtained from the nearest Navy recruiting district office or by calling:

COMNAVCRUITCOM
COMM (703) 696-4581
DSN 226-4581

16. **Additional Information.** Additional information on the NROTC Scholarship Programs can be obtained from the following:

Governing Directives	OPNAVINST 6110.1F OPNAVINST 1533.12F Uniform Code of Military Justice (UCMJ), Subchapter III, Section 815, Article 15
----------------------	--

1. **Purpose.** The NROTC Navy-Option Scholarship Programs educate and train well-qualified young men and women for careers as commissioned officers of the U.S. Navy Unrestricted Line (URL) and Nurse Corps, with initial appointment in the Navy in the grade of ensign. Current information and application procedures are published annually in OPNAVINST 1533.12F and the Navy-Marine Corps ROTC College Scholarship Bulletin.

2. **Overview**

a. The 2-Year NROTC Scholarship Program, including the NROTC Nurse Corps 2-Year Scholarship option, provides qualified students with tuition, books, instructional fees, uniforms, and a subsistence allowance of \$150 per month. Room and board expenses are not provided. As enlisted personnel selected for and enrolled in NROTC Scholarship Programs are released from active duty, they are not eligible for active duty pay and allowances, medical benefits, and other active duty entitlements while in these programs.

b. To be eligible for a commission, scholarship students must successfully complete naval science courses, drills, and summer training prescribed by the Chief of Naval Education and Training (CNET) prior to graduation from college. Selectees attend classes full-time during the academic year.

3. **Basic Eligibility Requirements.** An NROTC scholarship applicant must meet the following eligibility requirements, of which only the age requirement may be waived:

a.	Be a U.S. citizen.
b.	Be under 27 years of age on 30 June of the year in which eligible for commissioned status. An age waiver may be granted for prior active military service, on a month-for-month basis, computed as of 1 September of the year of enrollment in NROTC, provided the applicant will not reach his or her 30th birthday by 30 June of the year in which graduation and commissioning are anticipated. Command verification of service must be provided to receive an age waiver.
c.	Be a high school graduate or posses an equivalency certificate.
d.	Be physically qualified for the NROTC program as determined by the Department of Defense Medical Examination Review Board (DODMERB).
e.	Possess personal qualities of high moral character and loyalty. Loyalty is defined as having no moral obligations or personal convictions which would prevent conscientiously supporting and defending the Constitution of the United States against all enemies, foreign and domestic.
f.	Have no court-martial convictions or civilian felony convictions. Have no record of disciplinary action under subchapter III, section 815, article 15, Uniform Code of Military Justice (UCMJ), or conviction by civil court for misdemeanors, except minor traffic violations, during the 3 years preceding application for the NROTC Scholarship Program. A fine of \$200.00 or less , exclusive of court charges, is considered minor. Any substantiated drug abuse while in an enlisted status will result in disqualification. Exceptions will not be considered.

4. **Additional Eligibility Requirements for 2-Year Applications.**
2-Year NROTC Scholarship Program additional eligibility requirements are:

a. Be accepted at an NROTC college or university as a junior, or as a fourth-year student if participating in a 5-year curriculum. Proof of acceptance in junior standing by an NROTC host or cross-town college or university must be submitted with the application package. Nurse Corps Option applicants must be accepted into an NROTC Scholarship Program-approved BSN program at a participating NROTC or cross-town affiliated university.

b. Have completed at least **2 years of college** with a **C+ average or better, 2.5 GPA on a 4.0 scale**, before attending the Naval Science Institute (NSI). Have completed 1 year of differential and integral calculus of one real variable with grades of **C or better, 2.0 GPA on a 4.0 scale**, prior to enrollment at NSI. Scholarship students will be required to complete a minimum of 1 year of calculus-based physics covering the classic fundamentals of magnetism and electricity prior to commissioning. Not required for Nurse Corps Option.

5. **Application Procedure**

a. OPNAVINST 1533.12F contains current application information for the 2-Year NROTC Scholarship Program. Applicants must follow the following procedures.

(1) A 2-Year NROTC Scholarship Program applicant must complete all application requirements and mail to:

Chief of Naval Education and Training (CNET)
Attention: NROTC 2-Year Scholarship Selection Board

The deadline date for receipt of completed 2-Year Scholarship applications is **15 March**.

(2) Active-duty applicants who are within reasonable distance of an NROTC unit should apply through those units. Others may apply through their commands. If an applicant applies through his or her command, an NROTC unit will be administratively assigned to provide processing assistance.

b. 2-Year NROTC Scholarship Program applications **shall consist of the following documents and be assembled in the order listed below.** The application file will be fastened together with 2-inch capacity Prestrong or ACCO paper fasteners.

(1)	<p>Commanding officer's endorsement, which must include the following:</p> <p>(a) A statement as to whether or not the applicant should be selected for the NROTC Scholarship Program. Commanding officers should recommend only candidates who meet high standards of character, patriotism, sense of duty, personal conduct, and financial responsibility.</p> <p>(b) Evaluation of applicant's leadership potential and motivation.</p> <p>(c) Statement that the applicant's record has been reviewed and found free of disqualifying military and civil offenses.</p> <p>(d) Statement that the applicant has been counseled about the financial limitations of the NROTC Scholarship Program.</p> <p>(e) Evaluation of applicant's ability to handle a college curriculum, including calculus and calculus-based physics, or biological science for nurse candidates, and basis of that evaluation, e.g., high school performance, college courses taken, Navy school performances, etc.</p> <p>NOTE: Completion of the commanding officer's endorsement by a division officer, department head, executive officer, etc., is not acceptable. Unacceptable or incomplete applications will be returned to the command without consideration.</p>
(2)	Letter of application. See OPNAVINST 1533.12F for format.
(3)	Official transcripts of all college work completed, reflecting all grades. Two official copies of each transcript should be obtained, one for inclusion in the application and one for filing in the applicant's enlisted service record. Transcripts must bear both the signature of the registrar or designated representative and the raised seal of the educational institution.

(4)	Certified copies of the last two observed evaluations. Copies of non-observed evaluations are not required.
(5)	Certified copy of NAVPERS 1070/604, Enlisted Qualifications History of the enlisted service record.
(6)	Certified copy of NAVPERS 1070/609, Enlisted Performance Record of the enlisted service record (if available).
(7)	Reproduced copy of OPNAV 6110/2, Risk Factor Screening/Physical Readiness Test Results which contains results from the last two tests taken. OPNAVINST 6110.1F applies.
(8)	Statement of financial responsibility. Use the format provided in OPNAVINST 1533.12F.
(9)	Certified copies of all NAVPERS 1070/613, Administrative Remarks entries if the applicant is serving on first enlistment.
(10)	NAVCRUIT 1100/13, Interviewer's Appraisal Sheet. Minimum of two, original of each. Appraisal sheets should be typewritten or legibly handwritten. These sheets should not be given to the applicant.
(11)	Letter of acceptance to an NROTC college or university as a junior in a specific major.
(12)	DD 398-2, Personnel Security Questionnaire (National Agency Checklist). A "yes" answer in block 13 must be explained per instructions that accompany form.
(13)	Proof of U.S. citizenship: a certified copy of birth certificate; a DD 372, Request for Verification of Birth; or commanding officer's certification of personal sighting of citizenship on the applicant's original naturalization papers. Do not send originals.
(14)	Course outline of all courses that will be completed prior to entering the program.
(15)	Any other documents considered pertinent to the selection process.

6. **DODMERB Physical.** Applicants selected for the 2-Year Scholarship Program must complete a DODMERB physical and be determined to be physically qualified or waivable for the NROTC Scholarship Program. The NROTC unit processing an applicant's application will provide assistance in scheduling a DODMERB physical. Applicants processing their applications at their commands should contact CNET for assistance in scheduling their DODMERB physicals.

7. **NSI.** All physically qualified 2-year scholarship selectees must successfully complete NSI at Newport, Rhode Island in the **summer before their junior year** to receive the scholarship. NSI is a 6 1/2-week course of instruction in naval science and drills similar to that required of NROTC students during their freshman and sophomore years. NSI convenes in **June**.

8. **Evaluation Process**

a. NROTC scholarship selection boards evaluate each applicant in two general areas. The selection board will first evaluate the applicant's potential as a future naval officer. Factors considered include professional performance while on active duty, leadership positions or positions of responsibility held, command comments, and the personal statement.

b. The selection board will then evaluate the applicant's academic potential. It will specifically evaluate the applicant's ability to complete a year of calculus and a year of calculus-based physics, which are required before graduation, Nurse Corps Option applicants excepted. Factors considered will be past academic performance as reflected in high school and college transcripts, Navy technical school performance, teacher or instructor comments, and performance on the SAT or ACT. Additional information which may explain or offset any weaknesses in the above areas should be provided with the application.

9. **If PSO Orders Are Received While Application is Pending**

a. Candidates for NROTC who receive permanent change of station orders for execution subsequent to the NROTC application deadline should not be transferred until officially notified of selection or nonselection to NROTC. If a transfer directive is received, the commanding officer shall notify the orders originating authority that the individual has applied for NROTC and that the orders are being held in abeyance until

notification of selection or nonselection is received. Cite transfer code number.

b. If the applicant is selected, the commanding officer shall notify the orders originating authority that the individual has been selected and that the orders are considered canceled. If the applicant is not selected for NROTC, the command should transfer the individual and notify the orders originating authority that the orders have been complied with, referencing the previous correspondence which held the orders in abeyance.

10. **Status of Enlisted Members Selected for NROTC Scholarship Program.** Enlisted members who are selected for NROTC Scholarship Programs will be issued orders from their present duty stations to the appropriate NROTC units, via NSI in the case of 2-year scholarship selectees. After reporting to their units, scholarship recipients will be released from active duty and appointed Midshipmen, U. S. Naval Reserve, for a period of **8 years**. Selectees shall further agree to accept appointments, if offered, as commissioned officers upon successful completion of their program.

a. An Enlisted Navy Career Options for Reenlistment (ENCORE) quota is not a requirement for officer accession programs. Selectees to officer accession programs do not need to request ENCORE reenlistment or extension quotas in order to acquire the necessary obligated service for those programs.

b. Members who enter NROTC Scholarship Programs from active duty and disenroll **prior to entering their sophomore years** will be ordered back to active duty to fulfill the unexpired terms of their enlisted commitments.

c. If disenrolled from NROTC Scholarship Programs **after commencement of their sophomore years**, members may be ordered back to active duty or, at the Secretary of the Navy's discretion, be ordered to reimburse the United States for educational expenses.

d. Upon successful completion of the NROTC Scholarship Program, the minimum active commissioned service requirement is **4 years**. Members who do not complete this obligation may be required to reimburse the United States for educational expenses.

11. **NROTC Nurse Corps Scholarship Selectees.** NROTC Nurse Corps Scholarship Option selectees must sign a NAVPERS 1070/613 entry before executing orders to their NROTC unit, acknowledging that they have been selected for the Nurse Corps Option only and that they may not transfer their scholarship benefits to the regular NROTC or Marine Corps Option scholarship programs.

12. **G.I. Bill Benefits.** Montgomery G.I. Bill benefits are available to eligible individuals who qualify by the date of **fall matriculation** at the university. Eligible individuals who do not qualify by reason of insufficient time-in-service will not be granted an extension on active duty in order to gain Montgomery G.I. Bill benefits.

13. **Navy-Marine Corps ROTC Bulletin.** Automatic distribution of the Navy-Marine Corps ROTC Bulletin is made to all Navy activities. Additional bulletins may be obtained from the nearest Navy recruiting district office or by calling:

COMNAVCRUITCOM
COMM (703) 696-4581
DSN 426-4581

14. **Additional Information.** Additional information on the NROTC Scholarship Programs can be obtained from the following sources:

Application Information:	Commander, Navy Recruiting Command (703) 696-4581 or DSN 426-4581
NROTC Program Information:	Chief of Naval Education and Training Selection and Placement 1-800-NAV-ROTC or DSN 922-4957 In Florida call (904) 452-4957
